

Assoc. Prof. Munjed Al Muderis

# The Osseointegration Group of Australia Presents

## Advancements in Osseointegration

Leading Osseointegration surgeon Munjed Al Muderis of Sydney, Australia will be presenting the latest advancements in Osseointegration technology in **Chicago on Saturday, March 4th 2017.**

The Sydney team offers a single stage procedure and advanced implant design that is based upon modern day joint replacement technology; which has most patients mobilizing in ten to fourteen days.

Come hear how far the technology has advanced in recent years.

Medical professionals, Amputees, family and caregivers are all welcome and there is no cost to attend.

**Where: Hyatt Regency Chicago**

151 E. Wacker Dr.  
Chicago, IL. 60601

*Randolph Meeting Room  
Bronze Level of the East Tower*

**When: Saturday March 4th 3:00 - 5:00 pm**
