

Dear Colleagues,

I am pleased to announce that we are hosting an Osseointegration Symposium in conjunction with the 2nd Combined ASAMI-BR & ILLRS 2016 Meeting in Brisbane, Australia this coming September. We are doing everything possible to ensure this meeting is successful, and hope it will be productive and enjoyable on many levels.

The symposium is open to all healthcare colleagues with an interest in Osseointegration and amputee management. Registration is available at the following website

<http://www.asami-br.com/register/>

The Symposium welcomes both international and local speakers to present on:

- Introduction to Osseointegration
- Walking ability and quality of life in subjects with Trans-femoral amputation: A comparison of Osseointegration with socket prosthesis
- Osseointegration Vs socket prosthesis: Difference in Biomechanics
- Osseointegration Applications
- Psychology of the amputee - The patient profile
- Stump Muscle development and MRI protocol
- Multidisciplinary clinics and patient selection
- Patient profile from the prosthetist's perspective
- Pain management of the Osseointegration Patient
- The OGAAP Protocol
- Post traumatic Limb Salvage
- Implant design changes
- Surgical technique changes
- Data management – The OGAAP Registry
- Two staged Vs Single stage surgery
- Prosthetic management of Osseointegration
- Cost effectiveness of Osseointegration
- Safety of Osseointegration for trans-femoral amputee - prosthetic fractures
- Interesting cases - past, present and future

In conjunction with the symposium, an educational workshop has been arranged within the afternoon program for allied health professionals.

We look forward to having the pleasure of your attendance in sharing the developments and current innovations of Osseointegration and caring for Amputee patients in conjunction with the 9th ASAMI-BR & ILLRS International Meeting 2016.

Kind Regards,

Associate Professor Munjed Al Muderis MBChB, FRACS, FAOrthA
The School of Medicine, University of Notre Dame
Sydney, Australia
Chair Person

And on behalf of:

Professor Kevin Tetsworth
MD FRACS, Royal Brisbane and Womens' Hospital
Adjunct Professor
University of QLD and Queensland University of Technology
International President, ASAMI-BR & ILLRS
